morosir@michigan.gov

MDOT open house Feb. 20 to discuss this year's Segment 2 work on I-75 modernization project in Oakland County

WHAT:

An open house-style meeting to inform the public on the continuation of Segment 2 of the I-75 modernization project. Segment 2 is located between Coolidge Highway and 13 Mile Road. This year's work involves rebuilding the southbound lanes and bridges and continue the diverging diamond interchange (DDI) construction at Big Beaver and 14 Mile roads.

WHO:

Michigan Department of Transportation (MDOT) staff
Design build team and consultant staff
Residents and interested stakeholders

WHEN:

Thursday, Feb. 20, 2020
4 - 7 p.m.

WHERE:

Troy Community Center, Room 305
3179 Livernois Road
Troy, MI 48083

Accommodations can be made for persons with disabilities and limited English-speaking ability. Large print materials, auxiliary aids or the services of interpreters, signers, or readers available upon request. Please call 517-335-4381 to request at least seven days before meeting date.

BACKGROUND:

Segment Two of the I-75 modernization project involves rebuilding more than 8 miles of pavement between Coolidge Highway and 13 Mile Road. Included in this \$224 million investment is replacing 19 bridges, rehabilitating the Crooks Road bridge, improving drainage, reconstructing the Rochester Road and Corporate Drive interchanges, improving community aesthetics, building noise walls where qualified, and installing new DDIs at Big Beaver and 14 Mile roads.
